

May 1st is celebrated around the world as International Workers Day to honor the struggle for workers' rights.

This year's celebration comes as workers and families of all backgrounds face unprecedented political challenges on issues ranging from budget cuts and the fight for unions to housing justice and the struggle for undocumented workers.

Workers across the globe are standing together to unite all of our struggles because **an injury to one, is an injury to all!**

MAY DAY 2016

Gather at Chelsea City Hall at 2:30PM

March to Piers Park at 3PM

◆ 95 Marginal St. East Boston

Rally at 5PM *Sponsored by the May 1st Coalition*
